

# MAINTENANCE MENTOR ROUNDTABLE

*Presented by the NorCal Business Aviation Association*

March 4<sup>th</sup>, 2020 from 9am-1pm

## KAISER AIR OAKLAND HANGER

---

If you are an aspiring aircraft mechanic, come join a team of aviation industry professionals comprised of various maintenance managers and hiring staff as we provide skills and advice that will help you build a strong career in business aviation.

**When:** Wednesday, March 4<sup>th</sup>, 2020, from 9am to 1pm (lunch at 12pm, provided by KaiserAir)

**Who:** Students studying aviation with an interest in aviation maintenance, current or aspiring Airframe and Powerplant (A&P) students.

**Cost: FREE.** Please contact Phil Derner at [pderner@nbaa.org](mailto:pderner@nbaa.org) to inform him of your intent to attend.

**Parking:** REVISED PARKING LOCATION is at the lot between Hangar 9 (7901 Earhart Road) and the Oakland Rental Car Center, as highlighted on the below map. GoRentals has kindly agreed to sponsor shuttle transportation between this parking lot and the KaiserAir hangar. PLEASE ARRIVE AT 8:30AM to ensure enough time for shuttle transport!

**NOTE:** This is NOT a hiring event. Students do not need to dress in business attire but are welcome to bring a copy of their resume for resume preparation advice only.

*Please direct any questions to NBAA Regional Representative Phil Derner at [pderner@nbaa.org](mailto:pderner@nbaa.org) or 202-597-4061.*
